

SIB: Online Boot Camp

SIB® The School of
Investment Banking

Introduction

- SIB's [Immersive](#) is the only program in the world that goes beyond skilling to deliver what matters most to you, JOBS!
 - From JP Morgan to Goldman Sachs, from New York to London and Hong Kong, our alumni are making their mark across the world
- By investing in our Online Boot Camps, you have a unique opportunity to acquire the same 'job ready' skills as our Immersive, from highly experienced instructors

Ready to give shape to your aspirations?

High Impact Training. Quick. Cost Effective!

- SIB's Online Boot Camps are the ideal platform for finance professionals and those who are looking to break into Wall Street
- Training is intensive, delivered via live instructor led webinars and moves at a swift pace
- Equips participants with 'job ready' skills needed to succeed in Investment Banking, Corporate Finance, Private Equity, Asset Management, Equity Research, Hedge Funds and Consulting
- This is not your typical self study online course, but a highly engaging and interactive experience aimed at maximising learning

Cutting Edge Training Solutions for Industry

“SIB’s bootcamp is intense and has a deep learning curve. This prepared our analysts to be more efficient on daily tasks”

“The training is industry relevant, covers concepts in great detail and offers a lot of practice on real world companies.”

Deutsche Bank

“SIB’s curriculum is well designed and tailor made so that even folks from non finance background can be prepared for wall street roles .”

Students From Across the World and Diverse Disciplines

Thank you so much for some great classes and I look forward to staying in touch.
Student, Indiana University

The financial modelling session was great. Thank you for all the work you have put in.
Student, University of York

Thank you so much for the session yesterday, a very unique, interactive session compared to a lot of virtual events I've seen over the last few months. **Student, Cambridge University**

Thank you for the awesome training. It was very effective in increasing my confidence and sparking my passion for financial modeling. **Student, Schulich Business School**

Thank you for all the training so far, they were all very useful. **Student, LSE**

I've attended all your training sessions and really enjoyed them. A big thank you for all the hard work that you put in. **Student, Kings College**

The financial modelling training session was really great. Look forward to more training in the future. **Student, Fordham Gabelli Business School**
